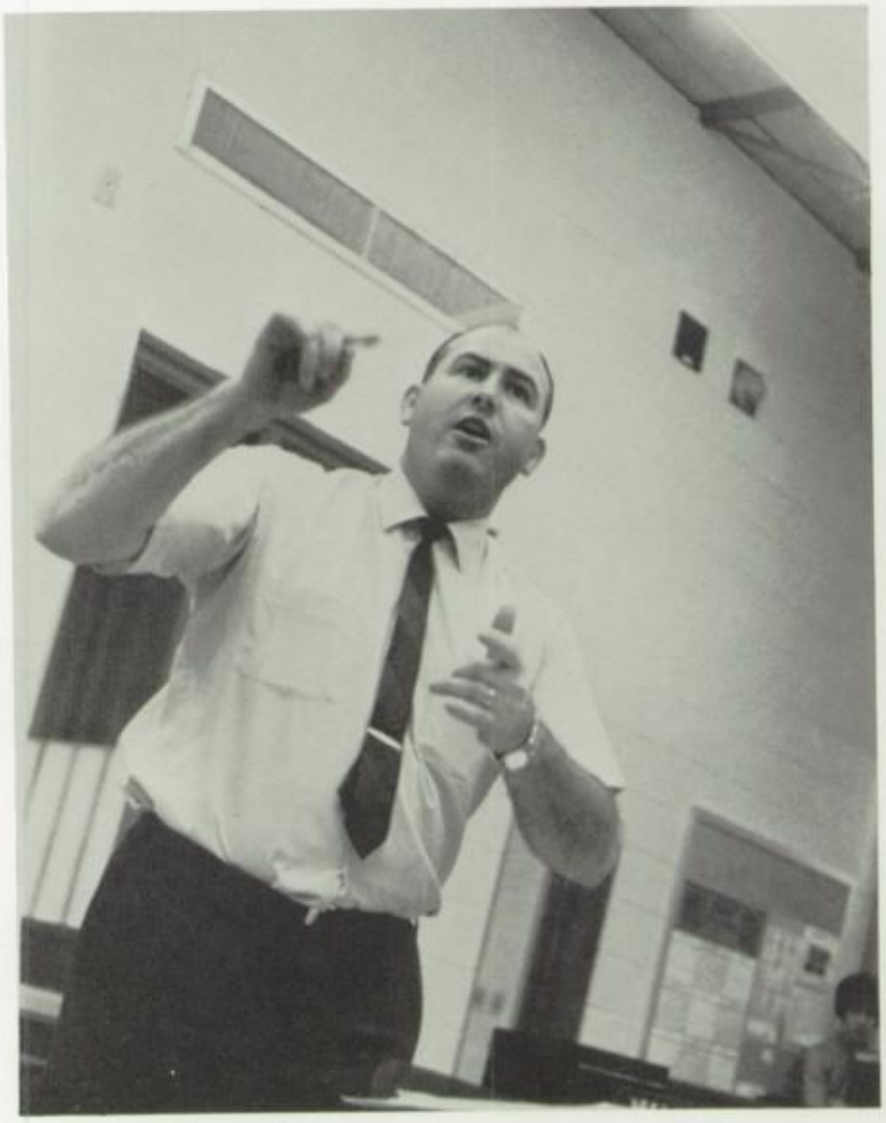
Whiteland Community High School is only a small school in a small town, but to each individual student it has a special meaning. For most students it is the center of social life as well as education; it is the center of joys and tears, fun and disappointment. As one turns the pages of the 1969 Warrior, he will receive a glimpse of the memories which will remain with many students throughout their entire lives.

All The Memories That Are Ours

Memories are something very special, for once one has them they can never be taken away. There are good memories, as of an exciting basketball game, and there are bad memories, as of a difficult problem in math class. There are always the memories a senior girl has when she looks over the trophy case and knows that she will not be around next year when more are won.

The music department, the shop, the classrooms, the clubs, the games, and the dances are all a part of W.C.H.S. and of the memories that are ours.

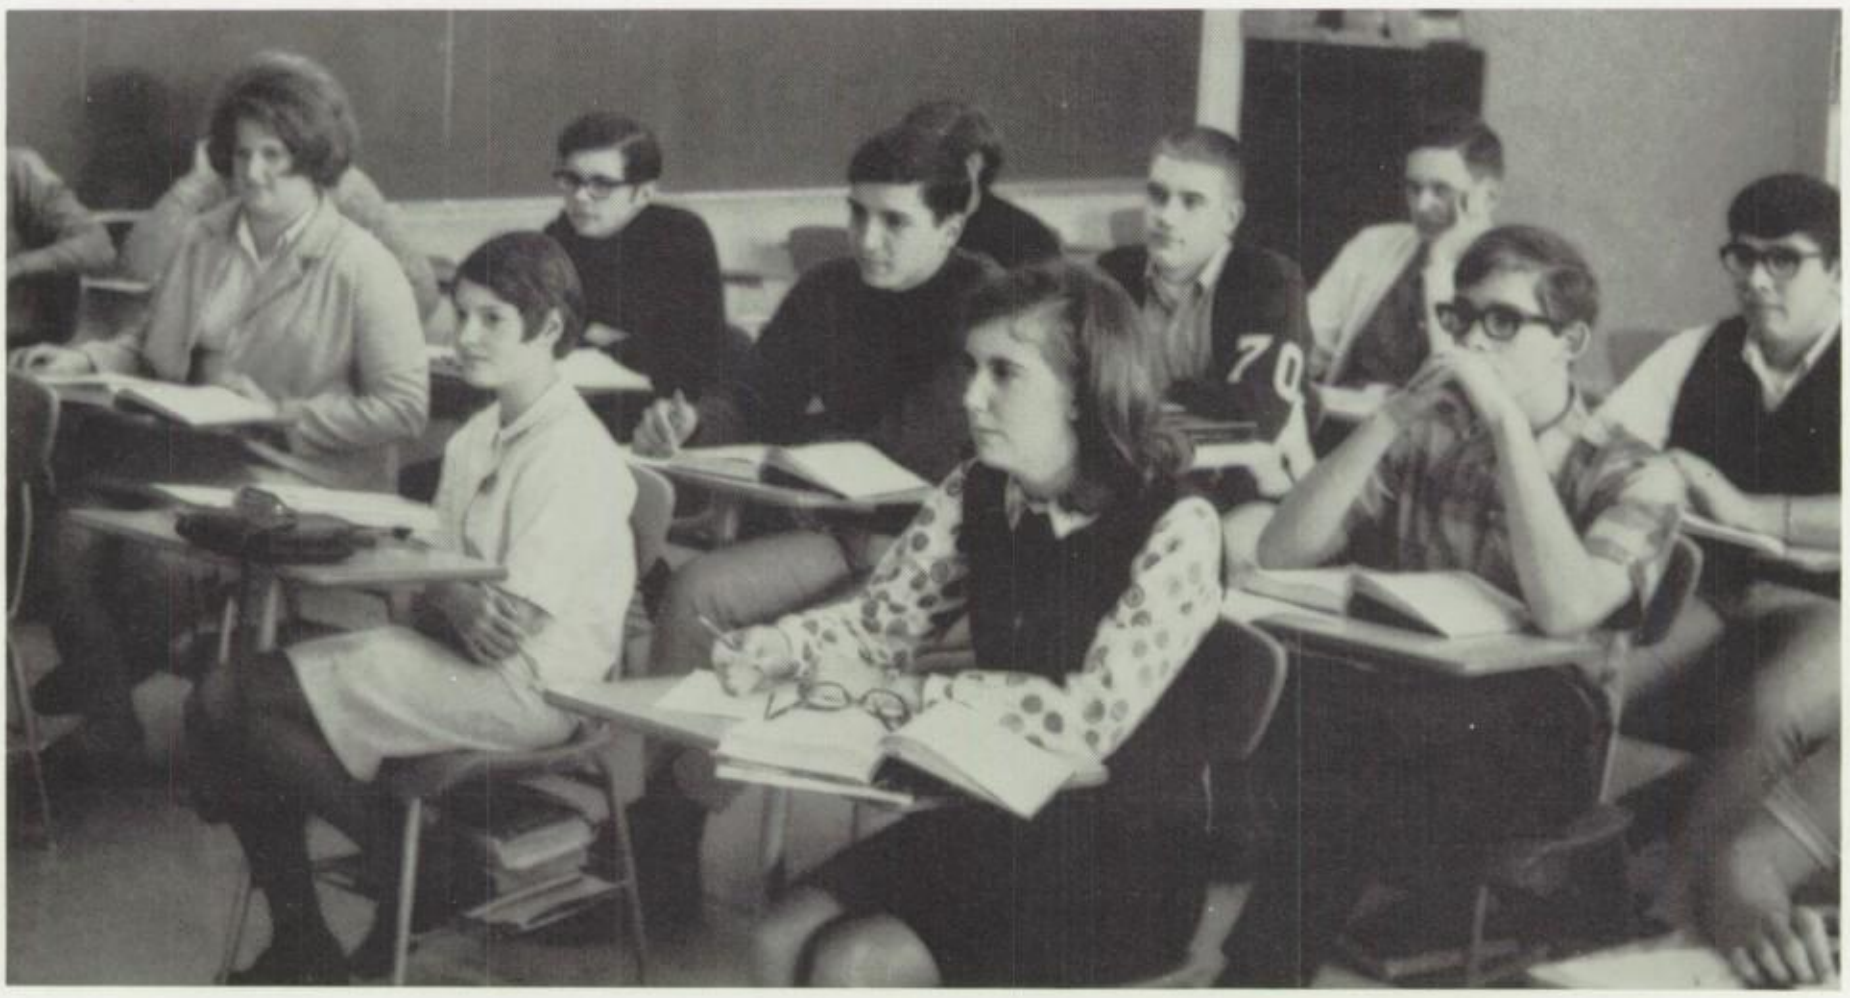


"One, and a two, and a three . . ."

"Come on guys, you can beat 'em!"

A senior is proud of her school's accomplishments.

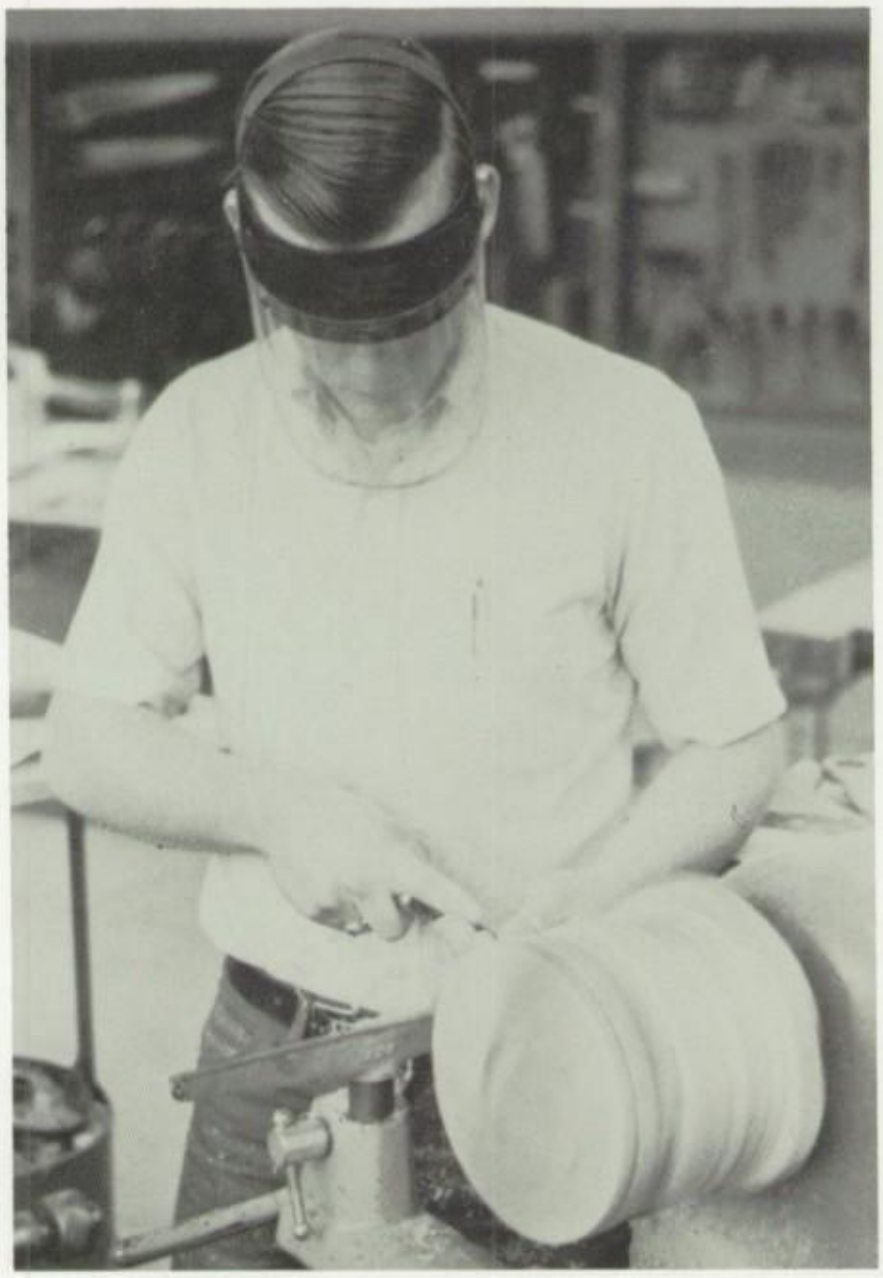
"Give me that ball!"



"What? We all failed the test?"

Memories are made of Spirit,

(Above) W.C.H.S. has real spirit!



(Above) "Take me to your leader!" (Below) Newspaper staff diligently working.

Officials give aid, inspire good memories

To some students the administration is comprised of people to be feared. Some students are terrified with the thought of appearing before a teacher or other administrative official for guidance in studies or otherwise. But without the teaching and guidance of the members of this department, the students of Whiteland Community High School would go into the world, ignorant of the basic elementaries of learning and undisciplined to a certain degree.

The administration, in a large way, teaches us how to lead wholesome and fulfilling lives. It teaches us how to use our knowledge for the betterment of our country and the people who live in it.

The administrative department at Whiteland is not a department to be feared but a part of our school to be remembered and respected for the knowledge they impart in us.

The cooks are Betty Phelps, Ruth Brownfield, Beulah Hyatt, Josephine Mason, Jean Moriarity, Frances Fowler, Dorothy Smith, Norma Fitzpatrick, Elsie Barnhart, Mary Shepherd, Carol Garrison, Marjorie Sleeth, and Norma Harris, head cook.

Sunshiners remember dance, ideal ladies

The Sunshine Society had a full schedule this year. At the beginning of the year each girl chose a woman for her ideal lady. In May a tea was held to reveal their names and honor them. In October the formal initiation was held for all new members. The annual Sunshine Dance was held in November. The Mother-Daughter Banquet was held in April and the senior farewell was the last meeting.

The club made favors for the teachers' desks every month, and they kept flowers in the office. The club also made contributions to the Gateway Center, Muscatatuck Hospital, and the Riley Fund.

The Sunshine Society is a service organization dedicated to the betterment of the community through helping others.

Jr. High Clubs prepare students

This year there were many clubs that were helpful in preparing 8th graders for the years of activities ahead.

The 8th Grade Dramatics Club sponsored by Mrs. Humphrey and Miss Nebel was very active this year. They attended a play at Clowes Hall and put on a Christmas play called THE CHRISTMAS OBOE. Then they finished the year with a club picnic. Mrs. Humphrey and Miss Nebel claim, "they are the noisiest club in the history of the school."

The Sunbeams' year was filled with demonstrations on proper manners and other subjects to prepare them for the high school club, the Sunshine Society. Sponsors this year were Mrs. Hendricks and Mrs. Parker.

Demonstrations of wrestling holds, methods of blocking, running, and tackling in football, activity periods for playing battle ball, and basketball, and films on football and basketball all kept the 8th grade Athletics Club on the move. The sponsors this year were Walt Lyons and Noel Head.

The 8th Grade Math Club was busy this year learning new math tricks and if you've a problem, you should look these boys up. Mr. V. Bledsoe sponsored the club this year.

'69 Warriors have finest season, 6-4

The 1968-69 Football season was the finest year Whiteland has ever seen. The team was exceptionally well prepared for the hard earned 6-4 record.

During the season Whiteland outscored their opponents by 117 points. The team's game average was 26.1 while their opponents averaged only 14.4 points per game. A sports fan would say Whiteland was the best all around football team in competition in Johnson County.

John Means was proclaimed the second leading scorer in the state for the 1968-69 football season. For this accomplishment he was named Most Valuable Player. Of course being no. 2 in state, he was leading in pass receiving and in touchdowns. John played a big role in helping in a fine season for the Whiteland Warriors, so he well deserved the Most Valuable Player Award.

Years fly past, but memories last

Four short years and it's over! As the end of the year arrives, the senior is caught up in a state of confusion and disbelief. The future which always seemed so remote is set before him. The joy, the relief, the sadness, the confusion—all are a part of the memories so fondly treasured in years to come.

Juniors recall many achievements

Junior class officers have a big job to fulfill. Discussing plans for the prom are Clifford Clark, president; Gary McDonald, vice president; Mary DeVries, secretary; Debbie Doub, treasurer.

The 68-69 school year was a year of many achievements for the junior class. Although some very important decisions were being made, the juniors always found time for fun and foolishness.

Throughout the year they excelled in all activities. Both football and basketball homecoming queens came from the junior class, and they also won the teepee contest.

The entire year was spent in the planning and anticipation of the Prom, which was held May 16 at the Sherwood Country Club. The Prom theme was "Cherish"; the class colors were crimrose yellow and leaf green, and the daisy was chosen for the class flower. The motto chosen to guide them through the senior year, "The surest way not to fail is to be determined to succeed," made them begin to realize that high school years were coming to an end.

Sophs will look back with fondness

Next year's juniors will carry with them many memories from their sophomore year. As they attended Mr. Mitchell's World history classes and diligently strove for the most superior form of essay papers, many minds wandered to future years.

The beginning of dating years proved for some to be a joy, to others a little less successful. Many pondered over which style class ring suited them best and which dress would be most appropriate when next year's prom finally came.

Majors and minors were chosen in the anticipation of a commencement which will arrive in two very short, fun-filled years!

Sophomore class officers discuss the new class rings. They are Donna Egbert, secretary-treasurer; Gary Rhodes, vice-president; Harold Schapson, president.

New experience marks frosh year

Really being a part of high school life for the first time became a challenge and a new experience for the freshman class. Games, parties, dances, and clubs they had anticipated in previous years became a part of their regular routine, and they were glad that this year marked only the beginning of the four wonderful years they would spend in high school. Although for some it was less than anticipated, the dreams of later years kept their spirits high. The pace was more rapid and demanding, and the change marked the beginning of real maturity.

Working on the yearbook is no easy task. Everyone on the staff must have will power and determination when things get monotonous. But this is not all work and no play. Sometimes, if you are lucky, you can get out of class each day and go somewhere to eat lunch. This way the monotony of staying in school all day is broken up and the week flies by. Maybe this year has flown by too fast and most of us on the staff must face the cruel world—but with the satisfaction of a book well completed.
